[DC Discord if you want to join and link with Patriots. Hopefully we can use this to organize Patriots in every state and organize national protests in unison even after the January events! If you're a Leader and want to step up please do! Yes I know the discord you were in before got deleted lol](#) (media.thedonald.win)

Be careful- the previous MAGA discord I was in got nuked. They didn't even give me a chance to appeal. Everyone who was a member got disabled, then deleted two weeks later.

There are lots of leftist moles and they flag any right-leaning or Trump servers as "organized harassment." Discord is still Big Tech, so be vigilant and godspeed. Thank you for spreading the good word, despite radicals trying to take you down.

Thanks. Idc if they report it tbh. I'll just make another one and start again. The aim of this should be to build an infrastructure with each state. Little by little. Let them delete it. I will make a new email and new acct and do it again and again and again. Not going to stop fighting Bc a leftist got shit shutdown. That gives them victory. Use this to link with Patriots on other platforms to keep in touch. This is just a meeting place for us to take the convo off of discord and into real life. That's the ultimate goal which is why we included each state

You're awesome- I wish I didn't need Discord for work otherwise I would join. My only hangup is a potential IP ban. If the company I worked for used Teams or some other chat platform, you can bet that I would just keep fighting, making a ton of alts. I really appreciate what you're doing- we definitely need an organized group of patriots to stay connected both on and offline. Thank you for all of your hard work.

We're hoping to roll out something with a similar format that would help organize Patriots. An app and website with hints of discord and Facebook but we want to allow people to go live and have a small business marketplace as well. It'll take time to roll out and we need all the help we can get!

Dude, I appreciate the great effort you're making. Please get rid of the gmail! You need something encrypted, like Protonmail.

So use this to organize with Patriots in other platforms. Accts are easy to make I'm not going to stop just Bc big tech wants to bully people around that's beta energy. I will keep fighting. New accts can be made just have to make a new email lol I'm not going to get bullied by big tech

I mean if you're worried more about losing your discord than you are organizing Patriots then I really don't care if your discord gets deleted tbh Bc this is about saving America not saving discord's lmao

If you need proof go to Parler look up #SendPatriots2DC #SendPatriots2ATL #SendPatriots2StopTheSteal and the page running it all @SendPatriots. Just Bc you don't know how to think outside the box doesn't mean we have to stay in your box. This platform is simply a meeting place to take the conversation somewhere safe and organize Patriots in each state. How bout you worry about yourself instead of discouraging the fighters from fighting. Sounds like you are the enemy when you do that.

Cool idc about your defeatist mentality warning. Ffs worry about yourself. I've been deleted off Discord and have made MULTIPLE discords after that. Worry about yourself.

If you think we can't "organize shit" then you're an idiot. We've already organized and have been paying for Patriots trips to DC all across America since the first Million MAGA MARCH so no get it through YOUR head you sound like a beta male who's scared to put up a fight. Don't join idc the rest of us will continue to fight. This is just a meeting place to get in touch with Patriots and take the conversation to other platforms like Parler that won't ban free speech. You don't know what you're talking about Bc you're not running the show over here. Sit down lil boy the real men are talking.

I don't "need" a platform that's the difference between me and defeatist like you. I have no problem starting completely over again and again. Now take that defeatist rhetoric and shove it

Hey if you're more worried about your discord acct being banned than saving this country by all means don't join. This discord is just fo organizing Patriots in each state so they can exchange information and follow each other on other platforms and organize there. If you want to bitch and moan about the past then keep it to yourself. We move forward.
